Annex to Service Schedule

1 Fair Usage Policy

Free Minutes and Breaches

1.2 If a service is on a Bundled Minute Promotion, it may be subject to free calls to 01, 02, 03 and Mobile numbers on the O2, Orange, T-Mobile, Three, EE and Vodafone networks. This promotion does however have its limits and is subject to the following fair usage policy:

- | A maximum of 5,000 inclusive minutes per line or channel per month across all of the above destinations.
- | The number of calls to 03 numbers must not exceed 15% of the total number of calls made from the line.

| A maximum of 2000 minutes per line or channel per month to UK Mobile numbers on the O2, Orange, T-Mobile, Three, EE and Vodafone networks.

- 1.3 Where the conditions are exceeded, all usage during the month for the service will be rated at the standard call rates. For example, if a 10 Line service made 60,000 01 or 02 minutes, all 60,000 minutes would be billed.
